A screenshot of a mobile browser displaying the login page for AT&T Pebble Beach Pro-Am. The page title is "Sign In to ATT Pebble Beach Pro-Am" with a close button. Below the title, it says "Powered by ticketmaster". There is a light blue information box with an "i" icon and the heading "Important Account Update". The text inside the box explains that users can now use the same email and password for both their ATT Pebble Beach Pro-Am ticket account and their Ticketmaster account. It provides instructions for existing ticket holders and new users. A "Learn More" link is at the bottom of the box. Below the information box are two input fields: "Email Address" and "Password". The "Password" field has a "SHOW" button to its right. Below the input fields, there is a checkbox for "Remember Email" and a link for "Forgot Password?". At the bottom of the page, there is a disclaimer: "By continuing past this page, you agree to the Terms of Use and understand that information will be used as described in both the Ticketmaster Privacy Policy and ATT Pebble Beach Pro-Am Privacy Policy." The browser's address bar shows "am.ticketmaster.com". The mobile navigation bar at the bottom has icons for back, forward, share, book, and tabs.
