

AccountManager and Mobile Ticketing FAQs

Q: What is AccountManager?

A: AccountManager is a ticket management tool. It is not the same as Ticketmaster.com. When you are logged in to AccountManager you can view and manage your tournament tickets. Transferring tickets to a friend has never been easier!

Q: How do I access my AccountManager account?

A: On your computer or mobile web browser go to this address and log in:
<https://am.ticketmaster.com/attpbgolf/>

Q: How do I access and save my tickets on my smartphone?

A: Check out our step-by-instructions on how to access and save your tickets to your phone [CLICK HERE](#). For troubleshooting tips, [CLICK HERE](#).

Q: What if I forget my log in information?

A: You can re-set your password from the AccountManager homepage.

Q: Can I print my tickets?

A: No. All tickets are fully digital and must be saved to your mobile device. Your phone is your ticket.

Q: Can I use a screenshot of my ticket?

A: No. Screenshots are not accepted for entry.

Q: What happens if my ticket doesn't scan properly at the tournament?

A: We recommend turning your screen brightness to the highest setting. If that doesn't work, an admissions staff member will be able to manually enter your ticket number.

Q: What if I lose connectivity/can't connect to my account at the tournament?

A: Once the tickets have been added to your phone's digital wallet you will be able to access them regardless of internet connectivity. To ensure seamless entry, we highly recommend adding your tickets to your phone's digital wallet before arriving at the tournament. If you have an iPhone, you will store your tickets in your Apple Wallet. If you're an Android user, you can save your tickets to your phone through Google Wallet (formerly Google Pay). Admissions staff will be on hand at the tournament entrance ready to provide mobile assistance!

Q: What if my phone breaks, dies, or is lost/stolen before I arrive?

A: Simply come to the admission trailer at the tournament entrance, with your ID.

Q: Can I have multiple tickets on a single phone?

A: Yes. However, we recommend transferring any tickets you're holding in advance to everyone attending. That way, everyone can enter on their own.

Q: What if my entire party isn't with me when I'm ready to enter?

A: AccountManager makes it easy to send tickets to everyone in your party in advance. You can easily transfer each member their own ticket in advance, allowing everyone to enter on their own.
