**The Hay**

**Pebble Beach, Calif. (Feb. 1, 2023)** – Fun was in full force at the 3M Celebrity Challenge on Wednesday morning at The Hay at Pebble Beach, a nine-hole short course. And charity was the biggest winner of all.

Celebrity teams played five holes of varying skill challenges, with \$20,000 per hole going to each team's designated charity (ties earned \$10,000 per hole) and \$5,000 per hole for closest to the pin.

The team of Amanda Balionis, Wells Adams, Huey Lewis and Alfonso Ribeiro came out on top winning \$75,000 for the charity, Digital Nest. Digital NEST creates sustainable and scalable technology learning centers for Latinx youth to provide the skills, network, and resources to foster economic equality. Despite pandemic-related closures that disrupted their service model, the organization pursued a bold strategy to add nine NEST centers in under-resourced communities in Central and Northern California.

The team of Josh Duhamel, Bobby Bones, Scott Eastwood, and Ray Romano earned \$50,000 for Life Lab. Founded in 1979, Life Lab cultivates children's love of learning, healthy food, and nature through garden-based education. The agency is a national leader in garden-based curriculum development and teacher training and co-founded the School Garden Support Organization (SGSO) Network, which now connects over 1,700 organizations serving millions of students across the U.S.
